

Four Wheel Drive Western Australia  
(WA 4WD Association INC.)

## KOORDA Drive-In Event

28<sup>th</sup> August 2021

The WA 4WD Association is running an event for the clubs at the Koorda Drive-in on **Saturday 28<sup>th</sup> August 2021.**

The movies "**Rams**" and "**American Graffiti**" will commence at 7pm and finish around 10.30pm.

Sponsorship has been sort from "**Make Tracks ARB**" to cover the movie cost.

Gold coin donation per person to enter which will go to the RFDS.

The Koorda Motor and Military Museum will be open on Saturday afternoon (\$5/person) if you wish to have a look through, very interesting mementos.

The Koorda Caravan Park is available for camping with limited powered sites so you need to get in early if you want one but there is plenty of unpowered sites available. To book go to <https://www.koorda.wa.gov.au/visit/where-to-stay/accommodation.aspx>

There will be a canteen at the Drive-in prior to the movies commencing selling nibbles and drinks. There are also meals available at the hotel but you may need to book in.

The Dowerin Field Day is on the Wednesday and Thursday prior to this event and the whole area will be alive with wildflowers so it might be worth a few extra days at least...

We look forward to seeing as many people as possible in Koorda.

Clubs to organise a convoy and come along and meet up with everyone, have a catch up and then see around the town and area.
