

## 2 – 9 October

### Gus Luck Track

Come and join me on a trip to travel the track Gus Luck created in 1890.

What is the Gus Luck Track?

It was established in the 1890s as an access and supply route for prospectors and miners at the 90 Mile (near Goongarrie) gold find.

The modern track starts at Yellowdine and heads towards Goongarrie.

We will then continue on to Lake Ballard and beyond. The finer details are still to come

The trip is not suitable for larger camper trailers or caravans

There are limited places on the trip so please let me know ASAP if you would like to attend
