### Pot Luck Dinner & Trip Planning

21-22 May 2022

With the colder winter nights approaching what could be better than to share food and stories with friends while sitting around a campfire.

We will make our way down to the Wander Inn on Saturday morning.

We will spend the day relaxing, cutting firewood to restock the woodshed, having a yarn and generally appreciating the sounds of nature.

Hopefully you will bring along some great ideas for trips you would like to run for the second half of 2022 and into early 2023 as we will be sitting down about 3.00pm to plan the trip and event calendar.

If you haven't run a trip before don't be put off, there are many members who would be willing to help you to plan a trip.

On Saturday evening everyone is invited to prepare a dish to place on the table to share with every. It can be as simple or creative as you want.

I am sure that there will be a 'little' campfire to keep everyone warm.

This trip is caravan and camper trailer friendly. There is not any planned 4wd'ing on the farm but feel free to bring your bikes to ride around the bush or paddock (assuming that a crop has not been planted).

No dogs are allowed on the farm so you will need to leave your furry companions at home.

Please bring: your trip ideas, a meal to share, your usual camping gear and your sense of humour. A couple of chainsaws could help too.

Trip Leader: Andrew Phillips
