

Lake Indoon and Sandy Cape

1-3 April 2022

Departing Friday night from Kelmscott we will make our way to Lake Indoon for the night. Those who can't make the meeting place can make their way up to Lake Indoon and meet us there.

Leaving Lake Indoon at about 9.00 we will head to Stockyard Gully and have a bit of a crawl around the cave before heading to the coast. Don't forget to bring along your torches (and maybe a hard for us tall people 😊)

I plan to camp at Sandy Cape (fees apply) for the night. Bring along your bathers, fishing gear etc. as I hope to get there early in the afternoon.

Unfortunately, the fire bans will still be in place on this trip.

Sunday we will head south exploring some tracks between Jurien Bay and Cervantes before making our final dash home

Bring along your sense of fun and adventure for this trip.
