

Discover the Painted Silos

Trip Flyer

23-27 (or 29) September 2023

Country WA is home to some amazing silo and street art.

You are invited to join Andrew and Julia on a tour to explore these hidden gems in the Wheatbelt and Great Southern regions.

This will be an on-road adventure with no planned 4WDing. Roads and Campsites will be suitable for caravans and camper trailers.

Although we intend to use free campsites along the way we may make use of caravan parks in some of the small towns we pass through.

Although fuel will be available along the route plan on being self-sufficient for overnight free camping.

Further details to come including meeting location and times.
